# Serge Ferrari® Group

- Family owned company since 1973
- 2011 turnover: 153 m€
- 630 employees

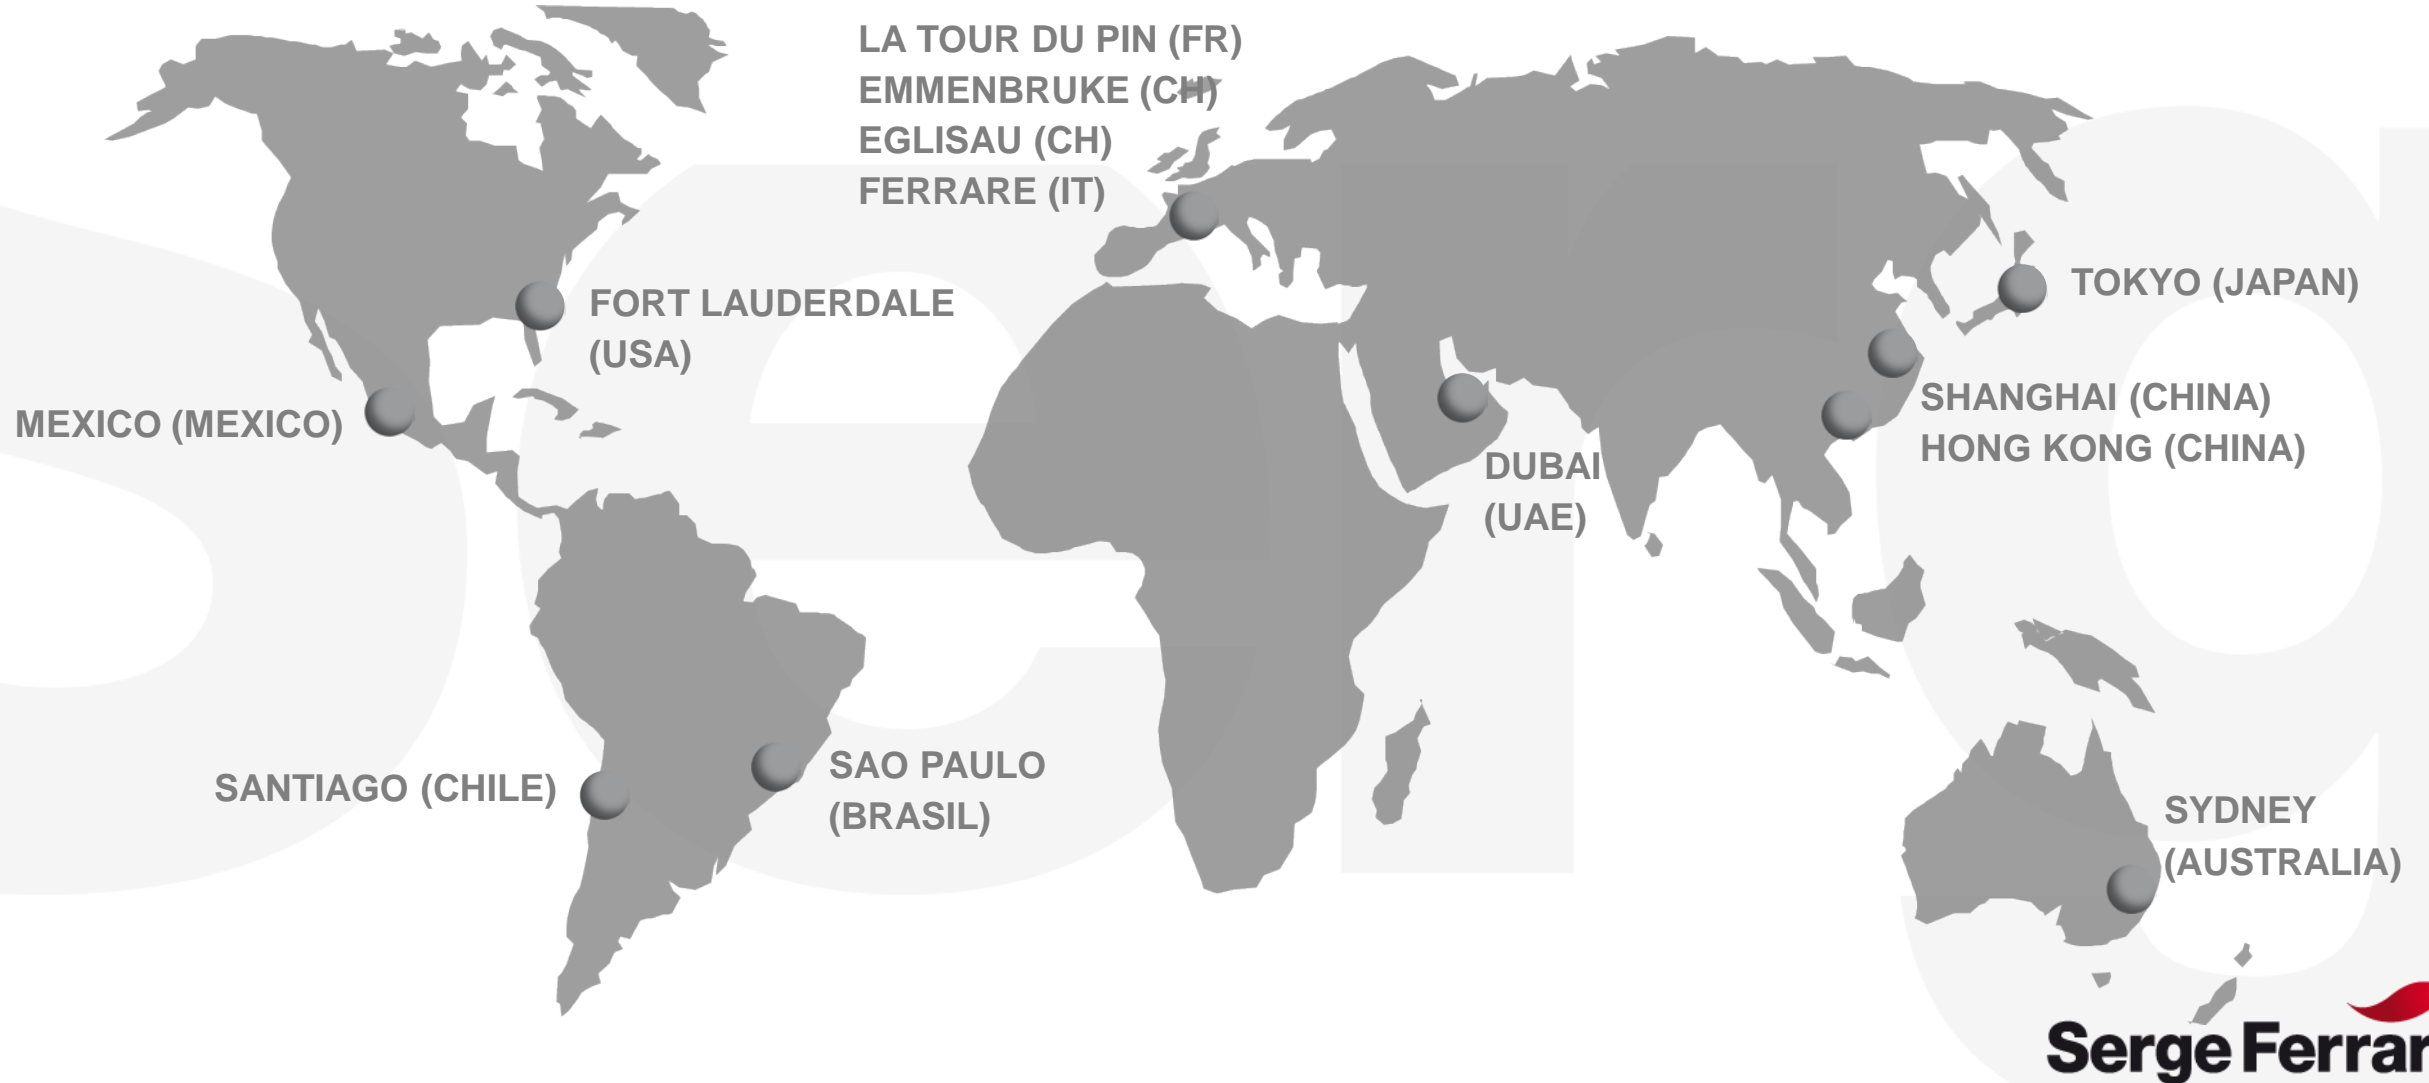

# Serge Ferrari® Group

- Vertical integration for a better Quality Control
  - Engineering, Process & Manufacturing of our Tools
  - Spinning
  - Weaving
  - Formulation
  - Coating & Extrusion
  - Logistics
  - Recycling

# Serge Ferrari® Group

## International presence and network

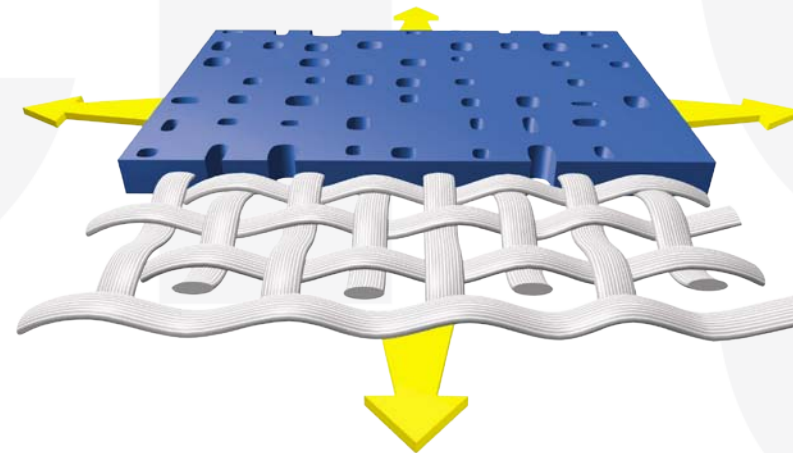

# Serge Ferrari Précontraint® Technology an exclusive patented industrial innovation

**Serge Ferrari® composites are maintained under tension throughout the whole manufacturing cycle.**

## **Main advantages**

- > exceptional dimensional stability
- > totally controlled uniformity
- > enhanced durability

# An Eco-Efficient Company

- > ISO 14001 certified since 2003
- > international Eco-Certifications
- > an offensive recycling strategy based on Taxyloop®

TEXYLOOP®  
100% recyclable textile

Light • Durable • 100% Recyclable solutions
